PO Box 458 Glenside SA 5065

3 RAR SA Association Inc. is a not-for-profit initiative for the benefit of those members who have served in 3 RAR and who are currently serving with 3 RAR. What we provide here will underpin the value of our past service and the value of our current service. Family members and those who have empathy with the Association's objectives are also welcome to join the Association.

The 3 RAR SA Association was created to respond to the challenges and needs of the membership and will focus on the following themes:

To honour and preserve the memory of those who died in the service of Australia whilst on Active Service with 3 RAR.

To honour and respect all who served and are serving with 3 RAR.

To perpetuate the mateship and fraternal environment established within the Battalion through the uniqueness of service in the Regiment.

To preserve the traditions and ideals of 3 RAR and those of The Royal Australian Regiment.

To foster camaraderie within our membership.

At our March 2010 AGM, a motion was moved and seconded (unanimously carried), to place a \$10 per annum fee upon all membership categories.

The Membership funds raised will assist the Association to provide a minimum of three 'In Touch' Magazines per year to all financial members.

We invite and encourage comment from the membership regarding the ongoing development of the Association.
